keep them moving

Sometimes you don't want them to sit still. Their bodies will be scooting, dribbling and serving up pickleballs before you can say "Get outside!"

Globber scooters are easy to manoeuvre, have a smooth, stable ride and adjustable handlebars for ever-growing kids.

Pickleball is great for kids because it's
simple to learn, the court is relatively
small and the ball sails more slowly,
so they can easily get rallies going.
